|-----------------|------------------------------|--------------------------|------------------------------|----------------------------|
| Chromosome 22 | Copy number variation (CNV) | “Unexpected finding” | “Higher resolution platform” | Picture of karyotype |
| Picture of FISH | Mosaicism | Homology-mediated repair | Chromosome 18 | Placental mosaicism |
| Chromosome 3 | Diagnostic yield | FREE | Clinical utility | Chromosome 21 |
| Chromosome 4 | “Complementary technologies” | Translocation | Chromosome 17 | “Higher resolution method” |
| NIPS / NIPT | Inversion | “An ugly karyotype” | Automated metaphase scanning | Risk stratification |

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
