B**I****N****G****O**

| | | | | |
|-------------------------------------|----------------------|--|--------------------------------|---|
| "p-arm" | Chromosome 20 | "microarray cannot detect balanced events" | Chromosome 4 | Chromosome 14 |
| "We were surprised by this finding" | Placental mosaicism | "It's more complex than it looks" | Genotype-phenotype correlation | Chromosome 10 |
| Aneuploidy | Plasma cell neoplasm | FREE | Chromosome 15 | "This is a busy slide" |
| PML::RARA | Chromosome Y | Chromosome 5 | Chromosome 13 | Variant of uncertain significance (VUS) |
| Automated metaphase scanning | Pathogenic | SRY-positive | Long-read sequencing | Risk stratification |

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
