| | | | | |
|------------------|------------------------------|------------------------------|---|---|
| Chromothripsis | Developmental delay | Chromosome 10 | PML::RARA | "Probably more complexity we can't see" |
| Triploidy | Pathogenic | Circos Plot | "This wouldn't have been detected before" | Genotype-phenotype correlation |
| Duplication | "Due to time..." | FREE | Uniparental disomy (UPD) | Homology-mediated repair |
| Chromosome 16 | Chromosome 5 | Optical genome mapping (OGM) | Chromosome 17 | Chromosomal instability |
| Chromoanagenesis | "Complementary technologies" | Chromosome X | Chorionic villus sampling (CVS) | Structural variant (SV) |

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
