“Probably more complexity we can’t see”	Circos Plot	SNP microarray	Chromosome 2	“Not detected by conventional methods”
“This is a busy slide”	Deep neural networks / AI / Machine learning	“A beautiful karyotype”	Risk stratification	Aneuploidy
“microarray cannot detect balanced events”	Chromosome X	FREE	Chromosome 17	Chromosome 11
Y chromosome material	Chromosome 10	Inversion	Cell-free DNA (cfDNA)	Chromosome 22
“We were surprised by this finding”	“Higher resolution platform”	“This is why we still do karyotypes”	Chromosomal instability	“After multiple attempts...”

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
