| | | | | |
|------------------------------|-----------------------|--------------------------|---|--------------------------------------|
| "Higher resolution method" | Chromosome 19 | Mosaicism | "Probably more complexity we can't see" | "This is why we still do karyotypes" |
| "Higher resolution platform" | Derivative chromosome | SNP microarray | Automated metaphase scanning | Chromothripsis |
| Chromosome 12 | Chromosome 3 | FREE | Copy number variation (CNV) | Risk stratification |
| Diagnostic yield | Chromosome Y | "q-arm" | "A beautiful karyotype" | Chromosome 7 |
| Developmental delay | Chromosome X | Uniparental disomy (UPD) | Chromosome 8 | Chromosome 11 |

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
