"This wouldn't have been detected before"	Placental mosaicism	"NGS still doesn't see this"	"Not detected by conventional methods"	"This is why we still do karyotypes"

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
