B I N G O

| | | | | |
|---------------|-----------------------------------|---------------------------------|--------------------------------------|----------------------|
| Chromosome X | Deletion | Complex rearrangement | Acute myeloid leukemia (AML) | "p-arm" |
| Chromosome 10 | "It's more complex than it looks" | NIPS / NIPT | "This is why we still do karyotypes" | Chromosome 2 |
| "q-arm" | Homology-mediated repair | FREE | Whole genome sequencing (WGS) | Risk stratification |
| Chromosome 22 | Chromosome 19 | Chorionic villus sampling (CVS) | Chromosome 13 | Picture of karyotype |
| Chromosome 7 | Chromosome 3 | Chromosome 15 | Developmental delay | Chromosome 9 |

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
