| Chromosome 20 | PML::RARA | Chromosome 22 | "microarray cannot detect balanced events" | Chromosome X |
| Circos Plot | Chromosome 19 | NIPS / NIPT | Chromosome 13 | Uniparental disomy (UPD) |

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
