|----------------------------|------------------------------|------------------------------|-----------------------------------------|------------------------------|
| Myeloid malignancy | Structural variant (SV) | Chromosome 17 | "Higher resolution method" | Chromosome 20 |
| SRY-positive | Automated metaphase scanning | Homology-mediated repair | Chromosome Y | "After multiple attempts..." |
| Robertsonian translocation | Chromosome 4 | FREE | "Probably more complexity we can't see" | Chromosome 22 |
| Chromoanagenesis | Chromosome 3 | Inversion | Pathogenic | Chromosome 2 |
| Mosaicism | Chromosome 13 | "Complementary technologies" | MYC amplification | Plasma cell neoplasm |

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
