| | | | | |
|------------------------------|------------------------------|-----------------------------------|------------------------------|-----------------------------|
| Triploidy | "NGS still doesn't see this" | Circos Plot | Robertsonian translocation | Deletion |
| "After multiple attempts..." | "An ugly karyotype" | "It's more complex than it looks" | MYC amplification | "Higher resolution method" |
| Structural variant (SV) | Translocation | FREE | Chromosome 15 | Copy number variation (CNV) |
| Chromosome 20 | "Unexpected finding" | Duplication | "Complementary technologies" | Chromosomal instability |
| Chromosome 19 | Mosaicism | "p-arm" | Aneuploidy | Developmental delay |

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
