| | | | | |
|------------------------------|--------------------------------|-----------------------------------------|------------------------------|------------------------|
| Clinical utility | Complex rearrangement | Variant of uncertain significance (VUS) | "Due to time..." | Chromosome 17 |
| "NGS still doesn't see this" | Diagnostic yield | Chromosome 14 | MYC amplification | "This is a busy slide" |
| "p-arm" | Chromothripsis | FREE | "After multiple attempts..." | Deletion |
| Picture of FISH | Genotype-phenotype correlation | Chromosome 7 | Chromosomal instability | Derivative chromosome |
| Chromoanagenesis | Chromosome 2 | Chromosome 19 | Chromosome 5 | PML::RARA |

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
