"Complementary technologies"	"This is a busy slide"	Chromosome 16	"Probably more complexity we can't see"	Inversion
Optical genome mapping (OGM)	Chromosome 17	Chromosome 13	MYC amplification	Robertsonian translocation
Chromosome 21	Chromosome 9	FREE	Chromosome 1	"microarray cannot detect balanced events"
Placental mosaicism	Risk stratification	Chromosome 14	Chromosome 11	Myeloid malignancy
SRY-positive	"It's more complex than it looks"	Complex rearrangement	"Not detected by conventional methods"	"After multiple attempts..."

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
