| | | | | |
|-------------------------|------------------------------|---|--|------------------------------|
| "An ugly karyotype" | Long-read sequencing | Chromosome X | Deep neural networks / AI / Machine learning | Plasma cell neoplasm |
| Chromosome 17 | Chromoanagenesis | Chromosome 14 | Copy number variation (CNV) | Chromosome 5 |
| Complex rearrangement | Triploidy | FREE | B-cell ALL (B-ALL) | Derivative chromosome |
| Placental mosaicism | Automated metaphase scanning | "A beautiful karyotype" | Aneuploidy | Uniparental disomy (UPD) |
| Structural variant (SV) | Chromosome 9 | "Probably more complexity we can't see" | "q-arm" | Acute myeloid leukemia (AML) |

Rules: Mark off squares as terms or quotes on your card are mentioned or appear on a slide. Five in a row vertically, horizontally, or diagonally to win. Each game starts at the beginning of each platform session (excluding keynote and vendor talks) and ends when a player has a bingo or at the conclusion of the last talk of that session, whichever comes first. You must audibly say "bingo" to win.
